10-MINUTE KICKPICS EXPRESS Photo Shoot

HOW IT WORKS:

- 1) Please read this brochure in its entirety before you reserve your time slot on the Sign Up Sheet. Familiarizing yourself with all of the packages will maximize your shoot time.
- 2) Select your package. The package you select will determine how many photos we shoot. For Families: If you are shooting all of your photos together, only one form and one 10-minute time slot is needed. If you are shooting together and separate photos, fill out one form per family member and give each person a 5-minute time slot.
- 3) Fill out the MY INFORMATION section and sign the form.
- 4) Bring the completed form and method of payment to the photo shoot. If payment is made with exact cash or check, you will receive a 5% discount on all prices. No money will be on hand - and don't worry about change...just round down to the nearest dollar. **Our Non-Sufficient Funds fee on checks is \$40.**
- 5) By turning in this form to the Photographer, you are "checking in" for your appointment. Please show up on time. Any late appointments will be made up at the next free space available.
- 6) All photos are mailed to the school six weeks after the shoot date.
